

# Telepathic Powers

Cobi

I look up at the stars tonight, oh  
Can't help but wonder if you're looking up thinking about me to  
o

I pray that one day we'll be back together, yes, I do  
Cause there's something in my heart that still burns for you

I want you in my story  
I hope the stars make it true  
Send signals with my telepathic powers  
Oh, right to you

Telepathic powers  
Understand me

I'm searching for your constellation  
Hoping that my telescope is true  
I know that wherever you are  
You feel my spirit  
Reaching out to you

I want you in my story  
I hope the stars make it true  
Send signals with my telepathic powers  
Oh, right to you

Telepathic powers
