

# You're Mine

Cobi

I arrived in paradise in 16  
Living right by the 405  
Marie and I met on the downtown scene  
The first few months we took our time

Wide awake love  
This can't wait love  
Don't have time to waste your time  
Meditate love  
Keep the faith love  
Don't go brush it all aside

Cause you're mine  
Mine mine mine  
You're mine  
Mine mine mine

I don't know just what is ailing me  
I disappear into the night  
You say if I love you I would set you free  
But you and I both know that's a lie

But be patient love  
I'm no angel love  
But I'm trying to make the climb  
Meditate love  
Keep the faith love  
Don't go brush it all aside

Cause you're mine  
Mine mine mine  
You're mine  
Mine mine mine

I get angry when I'm sober  
Dig the girl and spill the wine  
Which part of me is taking over  
In the middle of the night  
Even though I make you cry  
Don't go brush it all aside

Cause you're mine, mine, all mine girl  
Mine mine mine  
You're mine  
Believe me, baby  
Mine mine mine
