

# You Make Me Feel...

Cobra Starship

[Intro]

La La La La La

La La La La La

La La La La La

La La La La La [Verse 1]

Girl I've been all over the world

Looking for you

I'm known for taking what I think I deserve

And you're overdue

And if you listen you can hear me through the radio

In that bright white noise

What I been missing in my life

That I been dreaming of

You be that girl

You be that girl

You be [Sabi]

Everything you want so let me get up there

I'm the baddest baby in the atmosphere

Tell me what you want so we can do just what you like [Chorus]

You make me feel that

La La La La La

You make me feel so

La La La La La

You make me feel that

La La La La La

You make me feel so

La La La La La

You, you make me feel that [Verse 2]

Get a little closer to me girl

And you'll understand

'Cause if you want a guy that knows what you need

Well, then I'm your man

And if I listen I can hear you through my radio

In that bright white noise

What I been missing in my life

What I been dreaming of

You be that girl

You be that girl

You be [Sabi]

Everything you want so let me get up there

I'm the baddest baby in the atmosphere

Tell me what you want so we can do just what you like

Ooh

Everything you know I'm flipping upside down

Take you 'round the world

You know I like it loud

Tell me what you want so we can do just what you like [Chorus]

You make me feel that

La La La La La

You make me feel so

La La La La La

You make me feel that

La La La La La

You make me feel so

La La La La La

You make me feel, oh

La La La La La

You make me feel that  
La La La La La  
You make me feel so  
La La La La La  
You make me feel, oh  
La La La La La  
Put your hands up  
Put your hands up  
Let the lights drop  
Let the lights drop  
Make my world stop  
Make my world stop  
La La La La La  
La La La La La  
You make me feel that  
La La La La La  
You make me feel so  
La La La La La  
You make me feel that  
La La La La La  
You make me feel so  
La La La La La  
You make me feel, oh  
La La La La La  
You make me feel that  
La La La La La  
You make me feel so  
La La La La La  
You make me feel that  
La La La La La
