

## DIP N DRIP

COBRAH

Everytime when I walk in  
Everyone come crawling  
Callin' me darlin'  
They start talkin'

Look at her walkin'  
Look at her whippin'  
Look at her dippin'  
Look at her drippin'

I whip it around when I dip and dip and I drip with ambition  
I'm in my prime and I drip and I drip 'til I get my commission

Look at me walkin'  
Look at me whippin'  
Look at me dippin'  
Look at me drippin'

When I dip and I drip, dip and I drip  
When I dip and I drip, dip and I drip  
When I dip and I drip, dip and I drip  
When I dip and I dip and I dip and I

When I dip and I drip, dip and I drip  
When I dip and I drip, dip and I drip  
When I dip and I drip, dip and I drip  
When I drip and I drip and I drip with ambition

Everytime when I walk in  
Everyone come crawling  
Callin' me darlin'  
They start talkin'

Look at her walkin'  
Look at her whippin'  
Look at her dippin'  
Look at her drippin'

I whip it around when I dip and dip and I drip with ambition  
I'm in my prime and I drip and I drip 'til I get my commission

Look at me walkin'  
Look at me whippin'  
Look at me dippin'  
Look at me drippin'

When I dip and I drip, dip and I drip  
When I dip and I drip, dip and I drip  
When I dip and I drip, dip and I drip  
When I dip and I dip and I dip and I

When I dip and I drip, dip and I drip  
When I dip and I drip, dip and I drip  
When I dip and I drip, dip and I drip  
When I dip and I dip and I drip with ambition

When I dip and I drip, dip and I drip

When I dip and I drip, dip and I drip  
When I dip and I drip, dip and I drip  
When I dip and I dip and I dip and I dip and I  
When I dip and I dip and I drip with ambition

Dip and I drip, uh
