Got a good girl a real good bush  
Come and go get a real good puss

Want it good wanna it all  
Wanna feed waterfall  
Give it good gold star  
I want what I want  
Feel good when I purr  
Give me what I deserve  
You know me like it firm  
Sting let it burn

Too hard get a nurse  
See God go to church  
I spread get desert  
Thirsty I squirt  
Lipstick tight skirt  
Dirty thick girl  
Dive in real thirst  
Eat lunch I serve

Drip inner thigh  
Sweat power play
