

GOOEY FLUID GIRLS

COBRAH

(Uh) Gooley fluid girls
Gu-gu-gooey fluid (Uh-Uh)
Gooley fluid girls
Gu-gu-gooey fluid (Uh)

All around the world
I see gooey fluid girls
Get to work, make it hurt
'Cause we love it when it burns
All around the world
I see gooey fluid girls
Get to work, make it hurt
'Cause we love it when it burns

(Uh, uh, uh)
(Uh, uh)
(Gooey fluid girls)

(Uh) All around the world
I see gooey fluid girls
Get to work, make it hurt
'Cause we love it when it burns
(Uh) All around the world
I see gooey fluid girls
Get to work, make it hurt
'Cause we love it when it burns

(Uh) All around the world
I see gooey fluid girls
Give it all like it's our first
When we're dripping down in pearls
We go hard with the bass
Louder, 'till our tits shake
Make a gooey fluid babe
Wanna step up in the cage

(Uh) All around the world
I see gooey fluid girls
Getting sticky on my skirt
Make 'em soak it in their thirst (Oh)
You like it, bend 'em back
We get sweaty, let it spread
Banging walls with the bed
Let the neighbors call the Feds

(Uh, uh, uh)
(Uh, uh)
(Gooey fluid girls)

(Uh) All around the world
I see gooey fluid girls
Get to work, make it hurt
'Cause we love it when it burns

Get to work, make it hurt
'Cause we love it when it burns
