COBRAH

I look at my IG  
I'm feeling my IG  
I'm hot like my IG  
Keep track of my IG  
Get sick of my IG  
I'm killing my IG  
IG's killing my IG  
I'm winning on IG

Looking my best, now look at you  
Then look at me, now look at you  
Looking a mess, smell like a ghoul  
Posing in sweats, thinking it's cute  
Got it confused, I am the news  
I am the school, I am the truth  
Look at my dress, Leaking my nudes  
You want a piece, you want a feud

You wanna know me?  
Look at my IG  
You wanna know me?  
Look at my IG  
You wanna know me?  
Look at my IG  
You wanna know me?

Head toe, Dior  
Take me to the top floor  
All I want is more, more  
Virgin, I'm so pure  
So soft, I'm so yours  
So cute, got the allure  
You want, you want more  
Come and get it, now I'm all yours

Looking my best, now look at you  
Then look at me, now look at you  
Looking a mess, smell like a ghoul  
Posing in sweats, thinking it's cute  
Got it confused, I am the news

You wanna be like me  
Look at my shoes, look at my feet  
Look at this ecstasy  
Look at my purse, look at my teeth  
Look at my legacy
