

# MANIC

COBRAH

I'm not dramatic  
I just get a little manic  
One, two, three and here comes panic  
All gets black and into the frantic  
Into the magic, babe's metallic  
Hard as steel and soft like ass cheeks  
Babe I brought it home and gagged it  
Now my dad thinks I'm fantastic  
Close to a top pick, channeling conflict  
Everyone's topic, look at that hot chick  
Look at that girl, look at her top grade  
She'd be nice if we didn't love plastic  
I just get a little drastic  
Want to blow things up with match sticks  
Put it out with holy god's spit  
I'm so nice if it wasn't for my kink

I'm not dramatic, I  
Just get a little panicked, I  
Get into the frantic, I  
Get into the magic

I'm not dramatic  
It just gets a little tragic  
Not too bad and not a classic  
I just want it way too graphic  
Little too savage, getting damaged  
Shadow banned and used advantage  
I just want to leave my baggage  
Now my fans think I'm the whole package  
Close psychotic, hyper-erotic  
Little ironic, make it iconic  
Make it a world, make it and drop it  
Would be nice if I wasn't chaotic  
I just get a little drastic  
Want to blow it up with match sticks  
Put it out with holy god's spit  
I'm so nice if it wasn't for my kink

I'm not dramatic, I  
Just get a little panicked, I  
Get into the frantic, I  
Get into the magic

I'm not dramatic, I  
I'm not dramatic, I  
Just get a little manic, I  
Just get a little manic, I  
I'm not dramatic, I  
I'm not dramatic, I  
Just get a little manic, I  
Just get a little manic, I  
I'm not dramatic, I  
I'm not dramatic, I  
Just get a little manic, I  
Just get a little manic, I  
I'm not dramatic, I

I'm not dramatic, I  
Just get a little manic, I
