Is it hot? Is it cold?
What degree? Spill the tea

Make it boil, let it soak
Is it hot? Is it cold?
What degree? Spill the tea
Turn it on, cook it up
Make it boil, let it soak
Is it hot? Is it cold?
What degree? Spill the tea
Turn it on, cook it up
Make it boil, let it soak
Is it hot? Is it cold?
What degree? Spill the tea
Turn it on, cook it up
