

**WET**

**COBRAH**

Coochie  
Coochie

I know she's classy  
Cause she cares about that coochie  
Let's strip it down so we can donate it to Goodwill  
Wants to be famous, so let's do it, home movie  
Give me a towel  
It's so wet in her jacuzzi

Girl, you're divine  
I wanna fuck you like you're mine  
Rub me right and bring me to cloud nine  
Know I'm tied down, be my concubine  
Girl, you're divine  
I wanna fuck you like you're mine

It's so wet in her jacuzzi
