

Bullet!

Ayy

I do not hit the weed
I do not sip the lean
Y'all niggas sippin' on green
Half of y'all niggas is fiends
Put out with just Supreme
He got the Glock with the beam
Man, that shit green like a bee
These niggas fakin' they green

Ayy, pull up my pants, hit my lil' dance
These niggas wildin', come get your mans
I'm in some Vans, put in a trance
Right on that bitch, like my name Lance
Mad at me, these niggas envy me
What is your salary? You niggas broke to me, ayy (Broke)

Tesla, uh
Pot on me, like a Tesla, uh
Grip on that dick like a wrestler, uh
I'm a smart nigga, like Dexter, uh (Dexter)
Ayy, finesser, uh
Class A finesser, uh
Stuck on this bitch like it's Tetris, uh
Bitch, I'm a nerd, call me Lester, uh
I got a backpack on my back
I got like four bitches on my sack
I got that thing on me, like a MAC
She got me hardy, like I'm Matt, ayy
Pull a nigga, where the racks?
All y'all niggas, get some racks, uh

I do not hit the weed
I do not sip the lean
Y'all niggas sippin' on green
Half of y'all niggas is fiends
Put out with just Supreme
He got the Glock with the beam
Man, that shit green like a bee
These niggas fakin' they green

Ayy, pull up my pants, hit my lil' dance
These niggas wildin', come get your mans
I'm in some Vans, put in a trance
Right on that bitch, like my name Lance
Mad at me, these niggas envy me

These niggas can't hang with me or somethin'
Big money, you hear me?
