

Christmas With You

Cochren & Co.

I know you love Christmas and I love Christmas too
Let's spend the day together, me and you
We can sing Christmas carols and laugh all afternoon
I wanna spend Christmas with you

And when the holiday stress gets you down
And you're longing for a simpler time
We'll put a movie on in black and white
And remember it's a wonderful life

I know you love Christmas and I love Christmas too
This time of year, there's so much we can do
We can dance to old records and hang lights on the tree
You should spend Christmas with me

It doesn't matter if it's cold outside
'Cause the firelight will keep us warm
We'll set the scene with ceramic figurines
And celebrate the night Jesus was born

There's a hundred places we could go
This time of year, it's hard to slow down
Let's make the most of every moment that we have
And remember what the season's all about

'Cause I know you love Christmas and I love Christmas too
Let's spend the day together, me and you
We can sing Christmas carols and laugh all afternoon
I wanna spend Christmas with you

I've been waiting for this day all year, it's true
To spend Christmas with you
