

He's Not Here

Cochren & Co.

There's been a miracle
I'm living proof
Cause I was dead in the spiritual
But I walked out the tomb
I've been raised to life
By the power of Christ
That amazing grace has made me brand new

So if you're looking for the old me brother
He's not here
I heard that resurrection calling for me
Loud and clear
Now I'm wide awake
Check that empty grave
If you're looking, looking for the old me
He's not here
No, he's not here

(Now listen)

It's unbelievable
This love I've found
That forgave this criminal
And tore the prison down
I've moved past the past
I'm free at last
Hallelujah nothing's holding me down

So if you're looking for the old me brother
He's not here
I heard that resurrection calling for me
Loud and clear
Now I'm wide awake
Check that empty grave
If you're looking, looking for the old me
He's not here
No, he's not here

Hallelujah Christ is risen
Left the tomb and took me with Him
He's not here
Brought my soul from grave to glory
I'm alive like Sunday morning
He's not here

Hallelujah Christ is risen
Left the tomb and took me with Him
He's not here
Brought my soul from grave to glory
I'm alive like Sunday morning
He's not here

So if you're looking for the old me brother
He's not here
I heard that resurrection calling for me
Loud and clear
Now I'm wide awake

Check that empty grave
If you're looking, looking for the old me
He's not here

No, he's not here
He's not here
No, he's not here
No, he's not here
