

One Day

Cochren & Co.

One day there'll be no more waiting left for our souls
One day there'll be no more children longing for home
One day when the kingdom comes right here where we stand
We will see the promised land, mmm

One day there'll be no more lives taken too soon
One day there'll be no more need for a hospital room
One day every tear that falls will be wiped by His hand
We will see the promised land, mmm

Hallelujah, there will be healing
From this heartbreak we've been feeling
We'll sing in the darkest night 'cause we know that the light will come
And there will be healing, hallelujah

One day there'll be no more anger left in our eyes
One day the color of our skin won't cause a divide
One day we'll be family standing hand in hand
And we will see the promised land, we will see the promised land

Hallelujah, there will be healing
From this heartbreak we've been feeling
We'll sing in the darkest night 'cause we know that the light will come
And there will be healing, hallelujah
Oh, yeah
I believe there will be healing, hallelujah

One day every knee will bow, every tongue will confess
One day when our tired and weary bones find their rest
One day when the power of evil is brought to an end
We will see the promised land, we will see the promised land

Hallelujah, there will be healing
From this heartbreak we've been feeling
We'll sing in the darkest night 'cause we know that the light will come
And there will be healing, hallelujah
And there will be healing, hallelujah
And there will be healing, hallelujah
