

# Peace On Earth

Cock Robin

You have strayed  
You have wandered  
Trying hard  
To be wise  
You won't lose  
Without honor  
Without tears  
In your eyes  
You may go  
Down in shambles  
But I know  
What must come first  
Every door  
Will be opened  
Till you've found  
Peace on earth

May these words  
That we've spoken  
Bring you peace  
Peace on earth

--

Who could know  
Your existence  
Would be fight  
After fight?  
Armed with love  
And persistence  
You must set  
The world right  
No rewards  
For the giver  
Kindness is your curse  
I will pray  
Your devotion  
Helps you find  
Peace on earth  
Peace on earth

May this life  
That you've chosen  
Grant you peace  
Peace on earth  
Peace on earth

May this life  
That you've chosen  
Grant you peace  
Peace... on earth
