Come Up And See Me

Cockney Rebel

You've done it all, you've broken every code
And pulled the Rebel to the floor
You spoilt the game, no matter what you say
For only metal, what a bore
Blue eyes, blue eyes, how come you tell so many lies

Come up and see me, make me smile
Or do what you want, running wild

There's nothing left, all gone and run away
Maybe you'll tarry for a while
It's just a test, a game for us to play
Win or lose, it's hard to smile
Resist, resist, it's from yourself you have to hide

Come up and see me, to make me smile
Or do what you want, running wild

There ain't no more, you've taken everthing
From my belief in Mother Earth
How can you ignore my faith in everything
Coz I know what Faith is and what it's worth
Away, away, and don't say maybe you'll try

T'come up and see me, to make me smile
Or do what you want, just running wild

Come up and see me, make me smile
Or do what you want, running wild

Come up and see me, make me smile
Or do what you want, running wild
