

## Headbanger

Cockney Rejects

I can't resist loud music  
I could hear it until I drop  
I've got scruffy jeans and bikers boots  
and my hair is like a mop

Headbanger

Say that I'm a drop out  
the fact is that you're right  
I'd love to watch my ears drop off  
Cause I'm headbanging all night
