### Cockney Rejects

paulie was a rocker, a rocker till the end  
spent all his years rocking out southend  
tattoo's up his arms he'd die that way  
but he kept on rocking til that fateful day

hey mug, look the other way  
hey mug, you've had your day  
dye your hair dayglo, go and look a prat  
didn't they tell you mod was back

sid was a punk until his dying breath  
swore he'd be a punk until the only one left  
offered him a parka he changed his mind  
suffice to say he's not one of the kind

hey mug, look the other way  
hey mug, you've had your day  
die your hair dayglo, go and look a prat  
didn't they tell you skins were back
