

## 8 Am

Coco & Clair Clair

Called out of work again  
Fuck waking up at 8 am  
The sun is high and so am I  
Off sun rays and blue skies  
See my neighbor across the street  
I look at him, he smiles at me (me)  
I wonder why I'm so sleepy  
I think as I drink my coffee  
Can't wait to get back in my bed  
With not a thought in my head  
Don't care if it's not even noon  
I'll start the day again at 2  
Maybe I'll lay out in the park (la la la la la la)  
Slow down my beating heart (la la la la la)  
Maybe I'll buy a new lipstick (la la la la la la)  
Or watch a movie that's really sick (la la la la la)

All that's going through my head is  
La la la la la  
Nothing more and nothing less just  
La la la la la  
All that's going through my head is  
La la la la la  
Nothing more and nothing less just  
La la la la la

My boss is onto me  
Proolly mad cause he's ugly  
I'm cruising down the street  
And got Beach House blasting  
Rolling the windows down  
Wish today was everlasting  
You can call me crazy, but I'm feelin' lucky  
I give you a call just to say something  
But then my brain turned on  
Realized I needed nothing  
Sunroof is wide open, wind in my hair I'm chilling (la la la la  
la la, la la la la la)  
This feeling is everything (la la la la la la)  
What's better than doing nothing (la la la la la)

All that's going through my head is  
La la la la la  
Nothing more and nothing less just  
La la la la la
