Coco & Clair Clair

Spent the summer having fun  
Finally think I found the one  
Can't get you out of my mind  
Kind of ugly, but love is blind  
I've got a crush  
Think I've got a crush  
I've got a crush  
Think I've got a crush (on you)

Wow, I think I've got a crush (Ay)  
I think he's cute, but my friends think I'm nuts  
(Hey big head) He stays in my brain  
(Hey big head) Got me going insane  
Let's hang & watch Purple Rain (Pow pow)  
You've got my attention (Pow pow)  
You kind of look like a duck  
But a bitch might start quackin' (Pow)  
I've got my eye on many  
I've got four boyfriends, I need plenty  
Three to dine me  
And one for the Henny  
Can't trade you for any  
Wanna chill and watch Kangaroo Jack with you  
Even though you look like a motherfuckin' uhhh

Got me smiling  
Got my crying  
Got me jealous, acting violent  
Got me lying  
Got me denying  
All my old crushes  
I wanna take a trip  
Hold hands and dip  
Don't need a relationship  
Saving you for later like some chips (Pow)  
You're a smooth operator  
Unlike any other (Woo! )  
Just a crush though-  
AKA love undercover (Woo! )  
You're not my main, babe, but you're the HBIC  
This is easy  
Like ABC 123
