

Cute But Psycho

Coco & Clair Clair

I had to leave the scene
To reflect on my actions
Maybe it's Maybelline
Maybe I'm good at acting
Now I'm back on deck
Doing what the hell I want
Heard you talking shit
But this ain't what the hell you want

My bitch is cute but psycho
Brushes her teeth with a rifle
Driving around playing Dido
Stalking like a disciple
My bitch is cute but psycho
Brushes her hair with a knife-o
Read receipts cause she's spiteful
Asks for water gets a Sprite though

Y'all thought I was cute
Then you found out I'm psycho
Try and play with me?
Key a car and call Geico
Imma paint my nails all night though
Scratch your tummy that's lipo
Don't act like I'm a blind hoe
Leave you in stitches not no Lilo
Bitch
Call me what you want but don't call me chill
I'm a car crash mixed with some Dr. Phil
I'ma like your Insta pics and never text back
Maybe you'll skip a beat and give you a heart attack

My bitch is cute but psycho
Brushes her teeth with a rifle
Driving around playing Dido
Stalking like a disciple
My bitch is cute but psycho
Brushes her hair with a knife-o
Read receipts cause she's spiteful
Asks for water gets a Sprite though

Cute but psycho (My bitch)
Cute, cute but psycho
Cute but psycho
Cute, cute but psycho (My bitch)
Cute but psycho
Cute, cute but psycho (My bitch)
Cute but psycho
Cute, cute but psycho

My bitch is cute but psycho
Brushes her teeth with a rifle
Driving around playing Dido
Stalking like a disciple
My bitch is cute but psycho
Brushes her hair with a knife-o
Read receipts cause she's spiteful

Asks for water gets a Sprite though
