

# Everyone But You

Coco & Clair Clair

You got your whole shit out of whack  
Wanna bark my tree, take 50 steps back  
I'm not your lil friend that's gonna cut some slack  
Also not your lil friend you stay sneakin' through the back  
Wonder what your mother thinks about that

You like it when you think that I'm dumb  
I bet you'd like to think that I suck on my thumb  
Oh I know, I know, I know about your kind  
And so, and so, and so I'll have to play

Talk to everyone but you  
Talk to myself in my room  
Pretend you're in the mirror  
Practice how to shed a tear

We try to warn girls about men like you  
All you do is bite  
Gingivitis and you don't chew  
Baby girl now you done flew  
Out the cuckoo's nest  
Into the coup

You like it when you think that I'm dumb  
I bet you'd like to think that I suck on my thumb  
Oh I know, I know, I know about your kind  
And so, and so, and so I'll have to play

Talk to everyone but you  
Talk to myself in my room  
Pretend you're in the mirror  
Practice how to shed a tear

Talk to everyone but you  
Talk to myself in my room  
Pretend you're in the mirror  
Practice how to shed a tear
