

## French Tings

Coco & Clair Clair

You got that something, je ne sais quoi  
I wanna know who you are

Bonjour, bitch  
Eat a baguette  
Comment allez vous  
Gonna do some shit  
Who are you?  
I'm tryna French kiss in Paris  
Oui oui, c'est la vie  
Do you wanna be my hubby?  
Sippin' on some bubbly  
Ooh la la you're lovely

I can't stop thinkin' about you  
Do you think about me too?  
I can't stop thinkin' about you  
Do you think about me too?

Ratatouille, baby  
We're in Paris, baby  
French fries, baby  
All day, baby  
Yeah baby we' in France  
Paris, city of love  
No  
We should get Chief Keef on this song
