

# Kate Spade

Coco & Clair Clair

I'm ready

Fuck all of the bitches who wanna fuck on my boyfriend  
I make him lose his mind every day and every weekend, yeah

Smokin' on the latest shit  
Kate Spade, all the hits  
Hair up, hit the splits  
Oh he know I got it  
Now we smokin' on exotic  
Drunk on me, alcoholic  
Booty game hydraulics  
Ow, don't hate

'Cause we drinkin' all the 'ze  
His hands all over me  
He like my Kate Spade  
Bundelina Jolie  
Got a middle part buss down  
To my feet, touchdown  
See my pics, meltdown  
Your mind is my playground  
Got a middle part buss down  
To my feet, touchdown  
See my pics, meltdown  
I know it makes you sad, ow  
Tryna park on his dick  
These hoes make us sick  
Knock 'em out, super quick  
How you ride with chopsticks?  
Lobotomy, ice pick  
Her and her sidekick  
You fucked my man, that's slapstick  
I might be crazy (you're a lunatic)

Fuck all of the bitches who wanna fuck on my boyfriend  
I make him lose his mind every day and every weekend, yeah  
Every weekend, yeah

I'm a bad bitch, I'll kill the both of us  
Vodka Diet Coke, I'm not doing any drugs  
Write a hit song then I read a big book  
I'm all about the lovin', you can call me Bell Hooks  
I'm a bad bitch, I'll kill the both of us  
Vodka Diet Coke, I'm not doing any drugs  
Too rare for Raya, stop inviting me cucks  
Fell from heaven then I fell in love

Fuck all of the bitches who wanna fuck on my boyfriend  
I make him lose his mind every day and every weekend, yeah  
Every weekend, yeah
