

# Our House

Coco & Clair Clair

Our house  
Is a very very very fine house  
With two cats in the yard  
Life used to be so hard  
Now everything is easy 'cause of you  
Only for you

I'll light the fire  
You place flowers in the vase  
That you bought today  
Staring at the fire  
For hours and hours  
While I listen to you  
Play your love songs  
All night long for me  
Only for me

Our house  
Is a very very very fine house  
With two cats in the yard  
Life used to be so hard  
Now everything is easy 'cause of you  
Only for you
