

# Pretty

Coco & Clair Clair

Woah, yeah  
Hey, oh  
Yeah, ayy  
(Boy you look like a cock-a-doodle-doo)  
Ah, ayy  
Woah, woah, woah  
Yeah, here's the track, yeah (Ooh ah)  
Y'all thought we left?  
We'll never leave  
New York City to Atlanta, baby  
Alright

Yeah, I'm sitting pretty, but I'll leave you scarred  
'Bout to pop some bottles on the fuckin' boulevard (Okay)  
I don't need your car (Pow, pow)  
Yeah, my Uber's large (Uh-huh)  
Lip gloss shining, you see it from afar (Pow, pow)  
Just like Michael Jackson, I'm a smooth criminal  
Just like Michael Jackson, I'm a moon-walking hoe  
I'm hanging with the cutest crew  
You know how I do  
Clair Clair too  
We be pulling through in the nicest silks  
With the strongest drinks (Pow pow pow)  
You know what I mean  
It's the sweetest thing  
Honestly just look at you, then look at me (Woo yeah)  
I'm feelin' pretty, no matter the city, we packin' knives  
And we out here ending lives (Ring ding ding)  
(All day, baby)

If I die tonight, I'ma make it look pretty  
Yeah I'm in your spot, yeah I'm in your city  
Actin real rude, bad attitude  
Actin real goofy, but if I cuss you out, I'ma make it look pretty  
If I start a fight, I'ma make it look pretty  
Yeah I'm in your spot, yeah I'm in your city  
Actin' real rude, bad attitude, actin' real goofy  
But if I get kicked out, I'ma make it look pretty

Get up out my face you look like a reptile (Bow)  
Need Bindi Irwin in case it's about to get wild (Bow bow)  
Don't follow me when you're looking like Vincent Gallo  
Keep a taser in my purse, no that shit's not hollow  
If I beat you up, I'ma make it look pretty, nails still intact and  
Yeah I'm still witty  
If we in this thing it's about to get litty (Bow)  
You can have the spot light in a little bitty, okay okay  
(Ring ding ding)

If I die tonight, I'ma make it look pretty  
Yeah I'm in your spot, yeah I'm in your city  
Actin' real rude, bad attitude  
Actin' real goofy, but if I cuss you out, I'ma make it look pretty  
If I start a fight I'ma make it look pretty  
Yeah I'm in your spot, yeah I'm in your city  
Actin' real rude, bad attitude, actin' real goofy

But if I get kicked out, I'ma make it look pretty

Make it pretty, make it pretty, make it pretty, make it pretty, make it  
Make it pretty, make it pretty, make it pretty, make it pretty, make it  
Make it pretty, make it pretty, make it pretty, make it pretty, make it  
Make it pretty, make it pretty, make it pretty, make it pretty, make it  
Make it pretty, make it pretty, make it pretty, make it pretty, make it
