## Coco & Clair Clair

Hey [?], will you text Jacob really quick and ask if, uh, the Coco & Clair Clair remix is ready? Because I really can't [?]

Woah  
Yeah  
Hey  
Oh  
Yeah  
Aye

(Boy you look like a cock-a-doodle-doo)  
Ah  
Aye  
Woah  
Woah  
Woah  
Yeah, here's the track, yeah  
(Ooh ah)

Y'all thought we left?  
We'll never leave  
New York City to Atlanta, baby

Alright

Yeah I'm sitting pretty  
But I'll leave you scarred  
'Bout to pop some bottles on the fuckin' boulevard (okay)  
I don't need your car (pow pow)  
Yeah my Uber's large (uh huh)  
Lip gloss shining, you see it from afar (Pow pow)  
Just like Michael Jackson I'm a smooth criminal  
Just like Michael Jackson I'm a moon-walking hoe  
I'm hanging with the cutest crew  
You know how I do  
Clair Clair too  
We be pulling though  
In the nicest silks  
With the strongest drinks (Pow, pow, pow)  
You know what I mean  
It's the sweetest thing  
Honestly  
Just look at you, then look at me (whoo, yeah)  
I'm feelin' pretty, no matter the city  
We packin' knives  
And we out here ending lives  
(All day, baby)

If I die tonight, I'mma make it look pretty  
Yeah, I'm in your spot, yeah I'm in your city  
Actin' real rude, bad attitude  
Actin' real goofy, but if I cuss you out, I'mma make it look pretty  
If I start a fight I'mma make it look pretty  
Yeah I'm in your spot, yeah I'm in your city  
Actin' real rude, bad attitude, actin' real goofy  
But if I get kicked out, I'mma make it look pretty

Get up out my face, you look like a reptile (bow)  
Need Bindi Irwin in case it's about to get wild (bow bow)  
Don't follow me when you're looking like Vincent Gallo  
Keep a taser in my purse, no that shit's not hollow  
If I beat you up, I'mma make it look pretty  
Nails still intact and yeah, I'm still witty  
If we in this thing its about to get litty (bow)  
You can have the spot light  
In a little bitty, okay okay

If I die tonight, I'mma make it look pretty  
Yeah, I'm in your spot, yeah I'm in your city  
Actin' real rude, bad attitude  
Actin' real goofy, but if I cuss you out, I'mma make it look pretty  
If I start a fight I'mma make it look pretty  
Yeah I'm in your spot, yeah I'm in your city  
Actin real rude, bad attitude, actin real goofy  
But if I get kicked out, I'mma make it look pretty

Make it, make it look pretty

If I die tonight, I'mma make it look pretty  
Yeah, I'm in your spot, yeah I'm in your city  
Actin' real rude, bad attitude, actin' real goofy  
But if cuss you out I'mma make it look pretty

If I die tonight, I'mma make it look pretty  
Yeah, I'm in your spot, yeah I'm in your city  
Actin' real rude, bad attitude, actin' real goofy  
But if cuss you out I'mma make it look pretty

Make it pretty make it pretty make it pretty make it pretty make it
