20k spending on me, yeah, I'm pricey
I know you see me
You wanna be me
You keep watching my Instagram stories

Now wait a minute, I think I see a trick
Lurking on their finsta like a little bitch
Checking if their boo is in my crib
Ho, you an afterthought like an ad lib
Pull up to the party and I'm dressed to a T (To a T)
Always looking hot and I put that on Hades (On Hades)
They praying for my downfall while I'm lit overseas
Why you parked on that page with no car and no keys?

Think I'm looking at you?
Well, I might be
20k spending on me, yeah, I'm pricey
I know you see me
You wanna be me
You keep watching my Instagram stories
Think I'm laughing at you?
Well, I might be
20k spending on me 'cause I'm wifey
I know you see me
You wanna be me
You keep watching my Instagram stories
