

## Sunnyside

### Coco & Clair Clair

Summertime  
Playing in the sunshine  
Dancing 'til the sunrise  
Got no cares and feeling fine  
Hanging by the poolside  
Waiting in the ice cream line  
Drop the top and take a ride  
Got no cares and feeling fine (Summertime)

Hell yeah, it's summertime  
All I need is drink with a lime  
All I need is a guy that's a dime  
Who tryna get in my line? Okay  
I need the keys to the pool (Hee hee)  
Then I'll really know if you're cool  
Mama didn't raise me no fool  
Gotta use these men like they're tools (Yeah)

Boom shaka laka, boom boom shaka laka (Ay)  
Boom shaka laka, boom boom shaka laka (Ay)  
Boom shaka laka, boom boom shaka laka (Ay)  
Boom shaka laka, boom boom shaka laka (Ay)

Summertime  
Playing in the sunshine  
Dancing 'til the sunrise  
Got no cares and feeling fine  
Hanging by the poolside  
Waiting in the ice cream line  
Drop the top and take a ride  
Got no cares and feeling fine (Summertime)
