

Water

Coco & Clair Clair

(Water, water, water, water, water, water, water, water, water, water, water, water, water, water, water, water)

I think they wanna fight me
They look a little dusty
I'll ignite your ass trust me
You know you can't touch me
I think they wanna fight me
They look a little thirsty
I think they need some water
I think they need some water

Hey bitch, it's me again
Callin' you a bitch, what's new again?
You dress like you're 13 again
MySpace with the All Time Low cardigan
Dry as hell, ashy as hell
Step away 'cause I can fucking tell
You're not besties with my girl Lotion
You must be drunk on some dusty girl potion
You want to fight? Come fight us then
\$5 at the door, will u still come fight me then?
No guest list, just a hit list
And guess what? You're #1 on it
But I ain't mad 'cause my skin looks good
Water by my bed like a good girl should
Water in my system like a goddess would
Water in your eyes when I'm spittin' this good good
Ting tang walla walla bing bang
The fuck up, you crazy as hell
Think I'm finna drink some Korbelt
I'll stay posted up with this Voss ho (Vote for Bernie)
You can stay over there and watch me glow (Watch me glow)

Hydrate or burn in hell
Hydrate or burn in hell
Hydrate or burn in hell
Hydrate or burn in hell
Hydrate or burn in hell
Hydrate or burn in hell
Hydrate or burn in hell
(Water, water, water, water, water, water, water, water, water, water, water, water, water, water, water, water)

I think they wanna fight me
They look a little dusty
I'll ignite your ass trust me
You know you can't touch me
I think they wanna fight me
They look a little thirsty
I think they need some water
I think they need some water

Hydrate or (Hydrate or)
Burn in hell (Burn in hell)
Hydrate or (Hydrate or)
Burn in hell (Burn in hell)

Hydrate or (Hydrate or)
Burn in hell (Burn in hell)
Hydrate or (Hydrate or)
Burn in hell (Burn in hell)
She looks a little, she-
She looks a little, she-
She looks a little, she looks a little thirsty, yeah
(Water, water, water, water, water, water, water, water, water, water, water,
, water, water, water, water)
