Wishy washy
Wishy, wishy washy

Three o'clock on the dot, he pull up on my block
We goin' to the mall, I'm gettin' Nike Shox
No, I'm not Baroque but he treats me like he's Bach
I take a lil' off the top, he my dog, Iggy Pop
Shopping bag, it's Goyard
You lookin' mad, I go hard
I'm on a yacht, no lifeguard
You not my man, you a blowhard
He givin' me the keys to the brand new Benz
We chillin' waterfront but we're not holding hands (Splish splash)

Wishy washy
Not my boyfriend but I let you
Take me shopping
Buy me what I want, I want it all
Wishy washy
I like the attention but don't
Get too comfy
I got what I want, I got it all

I love when bitches got beef with me
Little do they know I be starving
I'm always down for a keke
Pull up to the party in a Harley
Broadcast that shit, iCarly
My ice so blinding, I'm sorry
You're not my father, Maury
Stacks so high like a safari
These girllies want what we have so bad
'Cause their man don't buy their drip, so sad
I'm runnin' to the money while he's runnin' me checks
I stay actin' funny but he knows that I'm the best

Okay, well
You know, I'm very sick of pretending to be a cool, laid-back girl so people want to date me
I am insane
I am literally balls-to-the-wall insane
And that's okay

Wishy washy
Not my boyfriend but I let you
Take me shopping
Buy me what I want, I want it all
Wishy washy
I like the attention but don't

Get too comfy
I got what I want, I got it all
Wishy washy
Not my boyfriend but I let you
Take me shopping
Wishy washy
Wishy, wishy washy
Wishy washy
I like the attention but don't
Get too comfy
Wishy washy
Wishy, wishy washy

Give me all your money and give me all your residuals
