

A Timeless Christmas

Coco Jones

Snowflakes fallin', it's that time of year
Tis the season, spreadin' joy and cheer
The fires glowin', and the lights are bright, mmm
Children dream of gifts underneath the tree
Smiles on their face full of pure glee
Friends and family are near
Sharin' memories so dear

Cherish the moments with the people that surround you
Live in the moment today

Let's have a timeless Christmas
Let's just come together
In harmony, as one forever
Ring the bells, let the music play
Feel the joy, it's time to celebrate Christmas (Christmas)
Oh, this Christmas

In every home, a candle's lit aglow
A warmth of love for all to show (All to show)
As snowflakes dance outside the window
A feeling of peace forever more
Feel the King, O'holy Night (Night)
The choir sings a song of life, like
"Para-pa-pam-pam
Para-pa-pam-pam-pam-pam"

Cherish the moments with the people that surround you
Live in the moment tonight

Let's have a timeless Christmas
Let's just come together
In harmony, as one forever
Ring the bells, let the music play
Feel the joy, it's time to celebrate Christmas (Christmas)
Oh, this Christmas

There's laughter in our hearts, a special kind (A special kind)
Sharin' love and kindness in every rhyme (Every rhyme)
Every rhyme
We gather 'round with friends by our side
And feel all the magic in the sky (Sky)
In the sky

Let's have a timeless Christmas
Let's just come together
In harmony, as one forever
Ring the bells, let the music play (Ring, ring)
Feel the joy, it's time to celebrate Christmas
Oh, this Christmas

Oh-oh, oh-oh, oh
Timeless Christmas
