

See me on the counter, neighbors need a preview
You go Romeo me, I'ma Juliet you
Bet you wanna make me your wife
Bet you got a big appetite

Fresh up out the shower, body's gettin' filthy
Usin' all my vowels, legs up on the ceiling
Talkin' 'bout, "A-A-E-E-Oh-My-God, A-A-E-E-Oh-My-"

It's never too much, never too much
Never too much, never too much
Never too much, never too much
Never too much, never too much
Baby, don't take it easy on me
No, I want more so keep it coming
'Cause it's never too much, never too much
Never too much, never too much (Oh)

A-A-E-E-Oh-My-God, A-A-E-E-Oh-My-God (My God)
A-A-E-E-Oh-My-God, A-A-E-E-Oh-My-God

Down to waste my time, I'm up in your city
We can rendezvous, now we're on a mission
Tellin' me to die for me, oh Lord
You know I can sing on it, no crud

Fresh up out the shower, body's gettin' filthy
Usin' all my vowels, legs up on the ceiling
Talkin' 'bout, "A-A-E-E-Oh-My-God," you gon' make me fall in love

It's never too much, never too much
Never too much, never too much
Never too much, never too much
Never too much, never too much
Baby, don't take it easy on me
No, I want more so keep it coming
'cause it's never too much, never too much
Never too much, never too much (Oh, oh)

A-A-E-E-Oh-My-God, A-A-E-E-Oh-My-God (Ah)
A-A-E-E-Oh-My-God, A-A-E-E-Oh-My-God

Ah, ah (My God)
Ah, oh-ooh (My God)
Hahaha
