

# Almost There

Coco Jones

Mama, I don't have time for dancing  
That's just gonna have to wait a while  
I ain't got time for messing around  
You know it's not my style  
This old town can slow you down  
People taking the easy way  
But I know exactly where I'm going  
I'm closer, closer, everyday

And I'm almost there, I'm almost there  
People down here think I'm crazy but I don't care  
Trials and tribulations, you know I've had my share  
There ain't nothing gonna stop me now 'cause I'm almost there

I remember daddy told me  
Fairy tales can come true  
But you gotta make it happen  
It all depends on you  
So I work real hard, each and every day  
Now things for sure are going my way  
I'm just doing what I do  
Look out boys, I'm coming through

And I'm almost there, I'm almost there  
People down here think I'm crazy but I don't care  
Trials and tribulations, you know I've had my share  
There ain't nothing gonna stop me now 'cause I'm almost there

I'm almost there, I'm almost there  
Trials and tribulations, I've had my share  
Climbed every mountain, I crossed every river  
And now I'm almost there

And I'm almost there, I'm almost there  
People round here think I'm crazy but I don't care  
Trials and tribulations, I've had my share  
There ain't nothing gonna stop me now 'cause I

Almost there, I'm almost there  
People gon' come from everywhere, I'm almost there  
Trials and tribulations, I've had my share  
But there ain't nothing gonna stop me now 'cause I'm almost there

I'm almost there, there, yeah  
I'm almost there, yeah yeah yeah  
I'm almost, I'm almost, I'm almost there
