

# Crazy For Me

Coco Jones

You tryna see in the dark  
Body got you doing some things you said you'd never do  
Known to tear em apart  
I'ma have you making a perfect mistake  
He buying heels, he buying bags, he want my gratitude  
It's not an act I'm really that he love my attitude  
I got him under my finger right now  
I got him all in his feelings right now

I can't blame him  
I get it  
It's hard to explain  
I'm dangerous  
I'm different  
These Cartier frames  
Keep watching  
The watch  
And the ice on my chain  
I might let you rock it

All this ass sit crazy on me  
He wanna touch it, go crazy on me  
He spending money like crazy on me  
I make him love me, go crazy for me

He crazy  
Crazy on me, crazy on me, yeah

You know where the heat at  
That's where my seat at  
He like a big boss babe  
I happen to be that  
You want a treat right  
Yeah go on and bite it  
Lemme repeat that  
Yeah go on and bite it  
He might risk it all for a peek  
I might not hit his phone for a week  
No text back  
I'ma make him read my mind  
Said we wanna taste  
Follow this assignment

I can't blame him  
I get it  
It's hard to explain  
I'm dangerous  
I'm different  
These Cartier frames  
Keep watching  
The watch  
And the ice on my chain  
I might let you rock it

All this ass sit crazy on me  
He wanna touch it, go crazy on me  
He spending money like crazy on me

I make him love me, go crazy for me

All this ass sit crazy on me

He wanna touch it, go crazy on me

He spending money like crazy on me

I make him love me, go crazy for me

He crazy

Crazy on me, crazy on me, yeah
