

# Depressed

Coco Jones

Look at my waist, this is unedited  
Look at my face, bet you wanna look like me  
Look at my wrist, I'm not tryna flex but  
Look at my whip, better get your check up

In my life I've never felt sadness  
I pose like 9 times on average  
I wish I didn't have to lie  
For you, for me, the mess I was

Depressed, I was  
Depressed, I was  
Depressed, oh-oh  
Depressed, oh-oh  
Depressed, I was  
Depressed, I was  
Depressed, oh-oh  
Depressed, oh-oh

Look at my man, he has never cheated on me  
Look at my bands, don't worry how I got them  
Look at my house, I'm living check to check  
That was a joke, I was just joking

In my life I've never felt sadness  
I pose like 10 times on average  
I wish I didn't have to lie  
For you, for me, the mess I was

Depressed, I was  
Depressed, I was  
Depressed, oh-oh  
Depressed, oh-oh  
Depressed, I was  
Depressed, I was  
Depressed, oh-oh  
Depressed, oh-oh

Maybe we, like, as a unit could, like, ban Instagram  
'Cause every time I'm on there I literally feel like my life is in shambles  
At least, like, maybe do a cleanse  
There's like a whole generation who, like  
Stop pretending life is so amazing  
And like stop flexing for like 8 seconds so I can just catch my breath  
LOL, thanks  
I'd appreciate it, 'cause, like, it's annoying sometimes, like  
I just wanna laugh at memes and, like, I end up in tears  
What's going on with me?
