# Don't Push Me

**Coco Jones**

Looking at you, looking at me
Your eyes kinda cut like a dagger
But even when you're messing with me
You can't really mess with my swagger

And you can try to get me started
But I don't even care
Cause I can see you're jealous of me
At the end of the day it don't matter

Cause if you go and going act like that
I'm gonna tell you get get get back
Don't push me
(Don't push me)
Don't push me
(Don't push me)

And if you go and going front like that
I'm gonna tell you take 2 steps back
Don't push me
(Don't push me)
Don't push me
(Don't push me)

Cause I,
I wanna get up off the ground
And you,
Are gonna turn yourself around

Don't push me
(What, what?)
Don't push me

Don't know why you thinking that you
Can get to me like a disaster
Cause Imma be ignoring you
You're thinking that you're fast but I'm faster

And you can try to get me started
But I don't even care
Cause when it comes to keeping my cool
I-I-I-I am the master

Cause if you go and going act like that
I'm gonna tell you get get get back
Don't push me
(Don't push me)
Don't push me
(Don't push me)

And if you go and going front like that
I'm gonna tell you take 2 steps back
Don't push me
(Said don't push me)
Don't push me
(Said don't push me)

```
Cause I,
I wanna get up off the ground
And you,
are gonna turn yourself around
Don't push me
Don't push me
(Don't push me)

Now get, get back
(Get, get what?)
Get, get back
(Okay, okay, okay, okay)
I said get back
(I said it, I said it)
Get, get, get back
(What, what, what, what)
Get, get back

Cause if you go and going act like that
I'm gonna tell you get get get back
Don't push me
Don't push me

And if you go and going front like that
I'm gonna tell you take 2 steps back
Don't push me
(Man, don't push me!)
Don't push me
(I said don't push me)

Cause I,
I wanna get up off the ground
And you, are gonna turn yourself around

Don't push me
(Said don't push me)
Don't push me
(Said don't push me)
```
