

Let 'em Know

Coco Jones

You came outta nowhere
Yeah, Yeah you hit me like a hammer
Didn't know what was coming next

Bet you didn't notice
Yeah you said I was pretty but you thought I was made of glass

Oh baby..

I ain't used to telling anyone the way I feel
Sometimes you just gotta let 'em know, ay what's the deal..

If I want you
I'll let you know
You want the truth
I'll let you know
And if I'm liking what I see
Then I might let you next to me
I need you
I'll let ya know
If I'm in the mood
I'll let ya know
So ladies go hang up your halos
Sometimes you just gotta let 'em know
Ay yo ayo yo
Ay yo ayo yo
Ay yo ayo yo
Ay ay ay ay yo
Ay yo ayo yo
Ay yo ayo yo
Ay yo ayo yo
Ay yo ayo yo
Ay ay ay ay yo

What ya doing to me
It's like you're stuck in my head
And I don't want to press rewind

Oooo got me in so deep
Boy I ain't gonna lie
Never stoppin til I make you mine

If I want you
I'll let you know
You want the truth
I'll let you know
And if I'm liking what I see
Then I might let you next to me
I need you
I'll let ya know
If I'm in the mood
I'll let ya know
So ladies go hang up your halos
Sometimes you just gotta let 'em know
Ay yo ayo yo
Ay yo ayo yo
Ay yo ayo yo
Ay ay ay ay yo

Ay yo ayo yo
Ay yo ayo yo
Ay yo ayo yo
Ay ay ay ay yo
