

# Lights All Over The World

Coco Jones

Put up the lights all over the world  
Put up the lights all over the world  
Tonight, yeah, yeah  
Put 'em up, put 'em up, put 'em up

Christmas snow in December  
It's that time we remember  
All the ones we love  
All the ones we love

Everybody together  
Makin' memories forever  
With the ones we love  
With the ones we love

Can you hear the bells ringing? (oh)  
Choirs of angels are singing (o-oh)  
All of the joy that we're bringing  
'Cause it's that time of the year

Put up the lights all over the world  
Put up the lights all over the world  
Tonight, yeah, yeah  
Put 'em up, put 'em up, put 'em up

Put up the lights all over the world  
Put up the lights all over the world  
Tonight, yeah, yeah  
Put 'em up, put 'em up, put 'em up

Inside fire is blazin'  
All here, we're celebratin'  
With the ones we love  
With the ones we love

Can you hear the bells ringing? (oh)  
Choirs of angels are singing (o-oh)  
All of the joy that we're bringing  
'Cause it's that time of the year

Put up the lights all over the world  
Put up the lights all over the world  
Tonight, yeah, yeah  
Put 'em up, put 'em up, put 'em up

Put up the lights all over the world  
Put up the lights all over the world  
Tonight, yeah, yeah  
Put 'em up, put 'em up, put 'em up

And if ya got nothing to give  
Then give your love away  
And if ya got someone to love  
Ya got something to say  
So say it (oh)

Put up the lights all over the world

Put up the lights all over the world  
Tonight, yeah, yeah  
Put 'em up, put 'em up, put 'em up

Put up the lights all over the world  
Put up the lights all over the world  
Tonight, yeah, yeah  
Put 'em up, put 'em up, put 'em up

Put up the lights, put up the lights  
Tonight (yay) yeah  
Put 'em up, put 'em up, put 'em up

Yeah, yeah  
Yeah, yeah  
Put 'em up, put 'em up, put 'em up
