

# What I Said

Coco Jones

Okay, here we go  
Gather all around, you don't wanna miss this show  
If you don't know, it's about to get serious  
My energy could make you delirious  
Take a chance if you're curious  
Follow my lead, up out of your seat, we're about to p-a-r-t-y

Y'all ain't seen nothing like this  
Ultimate non-stop excitement  
My pyrotechnic is about to blow your mind  
It's curtain call, the stage is set  
Spotlights on, you ain't seen nothing yet  
This moment is something that you won't forget  
Oh no, you won't because

I'm saying that I'm something you gotta see right now  
It's the only place that you wanna be right now  
I'm gonna make some magic  
That's what I said  
I can be anything like a chameleon  
I'm one in a million  
It's gonna be dramatic

Hey, that's what I said, that's what I said  
That's what I said, that's what I said

Okay, here we go

From the east to the west in your area  
Every where I go, I'm causing hysteria  
Let's raise the roof so high we get arial  
I'm so fly, y'all carry her  
No breaks or intermission  
I've got your full attention  
This moment is something that you won't forget  
I know you won't because

I'm saying that I'm something you gotta see right now  
It's the only place that you wanna be right now  
I'm gonna make some magic  
That's what I said  
I can be anything like a chameleon  
I'm one in a million  
It's gonna be dramatic

Hey, that's what I said, that's what I said  
That's what I said, that's what I said  
That's what I said

See a party ain't a party without me, the element  
And anybody who's anybody be yelling it  
And when they can't even scream, they be spelling it  
Then I be getting it hot, there's no comparison  
Oh, so gather around, gather around now  
'Cause I'm about to break it down, break it down now  
There's too much room to be standing around  
We all be shaking the building, feet stamping the ground, uh

I'm saying that I'm something you gotta see right now  
It's the only place that you wanna be right now  
I'm gonna make some magic  
That's what I said  
I can be anything like a chameleon  
I'm one in a million  
It's gonna be dramatic

Hey, that's what I said, that's what I said  
Hey, that's what I said, that's what I said  
Hey, that's what I said
