

Whodunit

Coco Jones

Ha, a-plus on the track
Ha, ha, ha, uh, yeah
Whodunit dunit-dunit-dunit

Who got the party started
Who got the party rockin'
Whodunit whodunit whodun-dun-dun

Who got the party started
Who got the party rockin'
Whodunit whodunit whodun-dun-dun

Something's goin' down
Hey now, hey now, what's happenin'
Dj, where you at, where you at
Who got this party cracka-lacka-lin'
Don't know about you or you
But me, I'm on my one, two step
You know I do what I do
Out the box straight shuffling
It's a crime on the dancefloor
The suspect's are usual
This crowd's in a uproar
It's about to get critical

There is something going on
Get to the bottom of it
Tell me who's responsible
Tell me whodunit-dunit-dunit

Who got the party started
Who got the party rockin'
Whodunit whodunit whodun-dun-dun

Who got the party started
Who got the party rockin'
Whodunit whodunit whodun-dun-dun

Is it you, or you, huh
I don't know

This party's in overdrive
Okay, okay, who crank it up
Collectively, I do believe
We about to solve a mystery, what
Lookin' for a clue and all I see is
Hands up, up in the air
Bodies rockin' to to vibe of the beat
'Cause the energy's packed in here
This crowd's unstoppable
Is it due to the audio sound
It's so incredible
Whodun-dunit now, come on, uh

There is something going on
Get to the bottom of it
Tell me who's responsible

Tell me whodunit-dunit-dunit

Who got the party started
Who got the party rockin'
Whodunit whodunit whodun-dun-dun

Who got the party started
Who got the party rockin'
Whodunit whodunit whodun-dun-dun

There is something going on
Get to the bottom of it
Tell me whodunit whodunit whodun-dun-dun

Who got the party started
Who got the party rockin'
Whodunit whodunit whodun-dun-dun
