

Rock It

Coco Lee

Do you wanna rock it baby?
Do you wanna rock it baby?

The room is shaking, good vibration
This music's in my soul.
Underneath the strobe lights,
I'm feeling hypnotized you've got me under control.

DJ, won't you come and rock me all night long.
The way you keep spinning really turns me on.
And there's something I got to know...

Do you wanna rock it baby? 'Cause I wanna roll with you for sure.
I don't wanna stop this baby.
Do what you want with me..on the dance floor.

Do you wanna rock it baby? 'Cause I wanna roll with you for sure.
I don't wanna stop this baby.
Do what you want with me..(i'm yours)..on the dance floor.

Now the club is getting real hot and sweaty
You're chilling in the DJ booth.
Everybody's grinding and I keep on finding
My baby caught up in your groove.

DJ, won't you come and rock me all night long.
The way you keep spinning really turns me on.
And there's something I got to know...

Do you wanna rock it baby? 'Cause I wanna roll with you for sure.
I don't wanna stop this baby.
Do what you want with me..on the dance floor.

Do you wanna rock it baby? 'Cause I wanna roll with you for sure.
I don't wanna stop this baby.
Do what you want with me..(i'm yours)..on the dance floor.

DJ, won't you come and rock me all night long.
The way you keep spinning really turns me on.
And there's something I got to know...

Do you wanna rock it baby? 'Cause I wanna roll with you for sure.
I don't wanna stop this baby.
Do what you want with me..(i'm yours)..on the dance floor.

Roll with you for sure

On the dance floor.
I'm yours-on the dance floor.

I'm yours-on the dance floor.
On the dance floor.
