When You Tell Me That You Love Me

Coco Lee

I wanna feel this way longer than time
I wanna know your dreams and make them mine
I wanna change the world only for you
All the impossible i wanna do

I wanna hold you close under the rain
I wanna kiss your smile and feel your pain
I know it's beautiful looking at you
You're in a world of lies, you are the truth

And baby, every time you touch me, I become a hero
I'll make you safe no matter where you are
And bring you anything you ask for, nothing is above me
I'm shining like a candle in the dark
When you tell me that you love me

I wanna make you see just what i want
Show you that lonliness and what it does

You walked into my life to stop my tears
Everything is easy now, I have you here

And baby, every time you touch me, I become a hero
I'll make you safe no matter where you are
And bring you anything you ask for, nothing is above me
I'm shining like a candle in the dark
When you tell me that you love me

In a world without you (Without you)
I will always hunger
All i need is true love to make me stronger
Yeaa......

And baby, every time you touch me, I become a hero
I'll make you safe no matter where you are
And bring you anything you ask for, nothing is above me
I'm shining like a candle in the dark
When you tell me that you love me

When you tell me that you love me

When you tell me that you love me

When you tell me that you love me
