

Slowly we're dancing
Underneath the pale moon light
Slowly, we're talking
Underneath the pale moon light

She was my fancy
Underneath the pale moon light
Sweetly she's singin
A three part harmony

Softly she's speaking
Something good to me
She was my fancy
Underneath the pale moon light
Underneath the pale moon light
Underneath the pale moon light

And now it's up to you to say
What is gonna come my way
I will put my heart in your hands
And now it's up to you to say
What will come my way,
I will put my heart in your hands

Underneath the pale moon light
Underneath the pale moon light
Underneath the pale moon light

Slowly we're dancing
Underneath the pale moon light
Slowly we're walking
Underneath the pale moon light
She was my fancy
Underneath the pale moon light
Uh-huh
Underneath the pale moon
Underneath the pale moon
Underneath the pale moon light

She looked sleepy as she sat in the sun
Then she started to cry
And held me tightly as she started to sing
This time's really goodbye

She looked sleepy as she sat in the sun
Then she started to cry
And held me tightly as she started to sing
This time's really goodbye

Yeah this time's really goodbye
Alright
This time's really goodbye
