

Beautiful Thingz

Cocoon

The very first kiss
The empty streets of Paris
Your summer dress in the fields
When you show me your tits
A take off / a landing
The silence / the music
A day off at the beach
A warm soup when I'm sick

Just as crazy as it seems
Life is simple and it brings
You the most beautiful things
Beautiful things
Just as crazy as it seems
Life is simple and it brings
You the most beautiful things
Beautiful things

Becoming a dad
A voicemail from a friend
A fresh slice of bread
And the sound of the rain
The sunrise / the sunset
A good mic / an omelet
A skatepark afternoon
And the smell of a book

Just as crazy as it seems
Life is simple and it brings
You the most beautiful things
Beautiful things
Just as crazy as it seems
Life is simple and it brings
You the most beautiful things
Beautiful things

A good song
A night fall
A whistle
And so on
