

I Don't Give a Shit

Cocoon

They used to call you a Fool
But you were so pretty
When you believed in unicorns

We were young and singing loud
I Guess we were so silly
No I feel Like a Pop Corn

And I Don't even Give a Shit,
I Swear
I Don't even Give a Shit,
I Swear
I Give
Up Too,Up Too
I Give Up Too

Then you fell in love with
a bag, your keys and an door,
You have been such a whore
I can't wait for you to come
as long as I know you want
I can't wait for you to come

And I Don't even Give a Shit,
I Swear
I Don't even Give a Shit,
I Swear
I Give
Up Too,Up Too
I Give Up Too
