They used to call you a Fool But you were so pretty When you believed in unicorns

We were young and singing loud I Guess we were so silly No I feel Like a Pop Corn

And I Don't even Give a Shit,
I Swear
I Don't even Give a Shit,
I Swear
I Give
Up Too, Up Too
I Give Up Too

Then you fell in love with a bag, your keys and an door, You have been such a whore I can't wait for you to come as long as I know you want I can't wait for you to come

And I Don't even Give a Shit,
I Swear
I Don't even Give a Shit,
I Swear
I Give
Up Too, Up Too
I Give Up Too
