

Parallel Lines

Cocoon

The further we go the worse it gets
I just can't fall asleep you never rest
I'm no stranger to danger now I guess
It's like a cannonball right to the chest

But round the bend
When it's over
You shoot me by surprise and never misfire
Again and again
Since forever
Why can't we walk for once into parallel lines?
Why can't we walk for once into parallel lines?

Why can't we just for once walk into parallel lines?
Why can't we just for once walk into parallel lines?

There's no retreat you're such a beast
I know your strategies you piece of shit
I can't seem to find a place to hide
You're just the worst creation of my mind

But round the bend
When it's over
You shoot me by surprise and never misfire
Again and again
Since forever
Why can't we walk for once into parallel lines?
Why can't we walk for once into parallel lines?

Why can't we just for once walk into parallel lines?
Why can't we just for once walk into parallel lines?

Why can't we just for once walk into parallel lines?
Why can't we just for once walk into parallel lines?
