

Devil's Island

CocoRosie

Who wants to get their head chopped off on Devil's Island?!
Who wants to lie down on the softest bed in the universe and die?!!
Who wants to be a beer and make someone drunk?!

Oh lord
Please tell me
I only have eyes
For you
I only have eyes for you
Oh lord please tell me
You're watching me too
I only have eyes for you
Oh lord please tell me
You're watching me too

Who wants to be a crystal and get found some day?!
Who wants to get their head chopped off on Devil's Island?!
Who wants to lay down on the softest bed in the universe and die?!

This is the end of time
