

## Pepper-Tree

Cocteau Twins

Gotta, gotta, gotta gain his voice  
On pepper tree  
Harden, harden, harden dont's and wont's  
My easel she

You gotta, gotta, gotta gain his voice  
On purple scotch  
Harden, harden, harden dont's and wont's  
My easel touch

Gain his voice  
On pepper tree  
Heart's been swallowed whole  
Who's real muse and she

You gotta, gotta, gotta gain his voice  
On purple scotch  
Harden, harden, harden dont's and wont's  
My easel touch

Gain his voice  
On pepper tree  
Heart's been swallowed whole  
Who's real muse and she

Heart's been swallowed whole  
Who's real muse and she

You gotta, gotta, gotta gain his voice  
On purple scotch  
Harden, harden, harden dont's and wont's  
My easel touch
